

The Greeter's Cottage at Saguaro Forest

Nestled in the foothills of Desert Mountain, the Greeter's Cottage is the entrance to an exclusive enclave of homes within this golf club community. Maintaining the history and tradition of the region, a design of rustic materials and textures was developed to establish an immediate sense of quality and aesthetic presence. A common mailroom, fireplace and sitting room complement the gates and security uses of the building.

Client
Desert Mountain
Properties

Location
Scottsdale, Arizona

Project Data
Greeter's cottage with
security control and sup-
porting facilities, mailroom
and garage, concierge
and fireplace plaza
