

Trapper's Camp

The cabins at Trapper's Camp are grouped in enclaves around open space camps, much like the original settlements of this valley. Authentic plank and chink siding and additional rustic materials emphasize the simple strength of these cabin homes.

Drawing attention from across the nation, the Trapper's Camp was awarded "Home of the Year" by the Gold Nugget judges in 2008.

Client

CSE & Associates

Location

Park City, Utah

Project Data

32 Acres
